

Welcome to Iwakura City

Let's deepen the bonds of our community.

Join the district neighborhood association

In Iwakura City, there are district neighborhood associations which are local organizations that are close by.

District neighborhood associations play an important role in making life comfortable by dealing with disasters, crime prevention and environmental concerns. It is also an important place in the neighborhood for socializing.

As a member of the local community, we ask that you take an interest in local affairs and join the district neighborhood association in order to make this a pleasant town to live in.

In the neighborhood association, here are some of the things we do.

Volunteer Disaster Prevention Groups

In preparation for disasters, we organize voluntary disaster prevention groups.

Crime Prevention Patrols

We carry out crime prevention patrols and community watch.

Regional Environmental Conservation

We manage waste sorting and collection times, neighborhood cleanups and so on.
